Trade Notice No.11 / 20 15: "Reduction of Stevedoring Charges for Handling of Wind Mill Parts & Components"

Dear Sir,

The government wishes to make India a self-sufficient nation in the sustainable energy sector and is therefore focussing heavily on renewal energy. APSEZL, Mundra wishes to play an important role as a port service provider in this Government initiative. Towards this end, APSEZL is pleased to inform the trade that Stevedoring charges for "Wind Mill Parts and Components" are being reduced from INR 250 /- to INR 150 /- with effect from 16.11.20 15.

It is requested to give wide publicity to this reduction in stevedoring rates for "Wind Mill Parts and Components" to all your principals, customers and windmill parts importer and exporter so that they can use Mundra Port's state of art berthing facility, cranes and backup area for handling of these sophisticated "Wind Mill Parts and Components".

For Adani Ports and SEZ LTD.
